

Prairie Rod & Gun Club

Prairie du Chien, WI 53821

May 25, 2017

Meeting announcement: 7:00 PM, Tuesday, June 6 at Crawford County Sheriff's Dept, upstairs meeting room.

No one has called about the following work notice at the La Riviere Park archery range that needs to be done. Please read it over and give me a call so we can get the job done before folks want to shoot thus preparing for the hunting seasons:

Attention archers, your help is needed with putting up new targets at the archery range at La Riviere Park. The targets will need to be cut to fit the target frames. This project should not take too long. Maybe a couple of hours once a method of putting the targets in the frames is decided. We also need to do some brush work on the trail to the range and at the range itself. Call Denny at 326-2718 to volunteer for this project.

The High School Trap League season is winding down. It was a good season with many students showing improvement. Average scores have increased from last years data. Good luck to those students at the state tournament. The group will have a fun shoot night on Wed, May 31.

Trap shooting on Wed nights for non-members and members will start on June 7 at 4 p.m. Help is needed with these Wed night shoots. Rich Noel has been doing a great job of handling the trap shooting but he could use some help. If you are interested in keeping score, filling the trap machine, or some other activity your help is needed now. Thanks.

Despite the high water the 2017 Clean Boats, Clean Waters Aquatic Invasive Species Volunteer Program started Memorial Day weekend. If you want to get involved contact Jim Barbian at 262-492-3101 or Denny at 326-2718. We have selected the Champion Boat Landing as our work site. Volunteers are needed for this public awareness effort to fight the spread of aquatic invasive species that can harm Wisconsin's ecosystems, economy, and recreational opportunities. This is also a fund raising project for the club.
