Range: Trap shooting for High School Team and open trap shooting will start in April. Check schedule below for dates and times.

Trees and/or prairie seed for use at the range, La Riviere Park, or other areas will be ready to be planted in late April. If interested in helping plant these plants let me know, Denny at 326-2718.

The possible sale of the club's Deer Show trailer and the rest of the display boards will be discussed at the April meeting. The Richland County Archery Club has already purchased about half of our **display boards** with legs from our supply used at the Deer Show.

New **fishing targets** for our Kids Casting Contests have been purchased. Precision Graphics did the upright fish targets and the on-the-ground targets were donated by an anonymous donor.

If anyone has pictures of club activities like sight-in, trap shooting, Kids Casting Contest, etc. that would work for the new rack cards being prepared please let me know. The old rack cards are outdated. New pictures and alignment are being worked on.
