FOR SALE: The club has the following items to sell to the best offer.

2012 Middlebury enclosed trailer, 7X16 with side door and rear ramp, dual axle, and 5 new tires.

20, more or less, ¾ inch plywood sheets. Plywood was used as display boards for the Deer Show so they will have a few small holes where deer mounts were hung.

If you or anyone you know is interested in purchasing either of these items contact me at 608-326-2718 or Mike Hazen at 608-326-8707. We are taking offers as we have not established an asking price.

Range. Discussion at the July meeting led to the following changes with our trap shooting activity:

Because the cost of clay pigeons has gone up our price for shooting a round of trap will now be \$5 for members and \$6 for non-members. The cost to the High School Trap Team will be determined at a later date. Hours and day of the week that the range will be open will be changed to first and third Wednesdays from April to mid August. Mid August to end of season, possibly mid October, trap shooting will be on every Wednesday. A reservation system for possible trap range use will be created to provide access to groups wanting to shoot at times other than established.

The reason for these changes is that few shooters are using the trap range with only 10 shooters using the range in 2021 and none so far this year.

Help is needed with the Aug 1st **Mississippi River Adventure Day** event. The club will be doing a fishing casting event. Any member wanting to get involved please contact me at 608-326-2718. Planning for this event is similar to the past casting events with the club picking up the former Prairie du Chien Park and Recreation portion.
