Shrubs and prairie seed for use at the range or La Riviere Park, is ready to be planted in early May. April plantings have been completed. If interested in helping plant let me know, Denny at 326-2718.

The possible sale of the club's Deer Show trailer and the rest of the display boards will be discussed at the May meeting. The club made a sale offer to the Richland Center Archery Club after the April meeting. The Archery Club has already purchased about half of our **display boards** with legs from our supply used at the Deer Show.

If anyone has pictures of club activities like sight-in, trap shooting, Kids Casting Contest, etc. that would work for the new rack cards being prepared please let me know. The old rack cards are outdated. New pictures and alignment are being worked on.
