2012 Middlebury enclosed trailer, 7X16 with side door and rear ramp, dual axle, and 5 new tires. \$4,500.

20, more or less, 3/4 inch plywood sheets. Plywood was used as display boards for the Deer Show so they will have a few small holes where deer mounts were hung. \$20.00 per sheet.

Range. The below is a reminder of what was discussed and voted for at the July meeting regarding changes to our trap shooting activity:

Because the cost of clay pigeons has gone up our price for shooting a round of trap will now be \$5 for members and \$6 for non-members. The cost to the High School Trap Team will be determined at a later date. Hours and days of the week that the range will be open will be changed to first and third Wednesdays from April to mid August. Mondays in April and May will be High School trap shooting but additional non-member and member shooting will be available. Mid August to end of season, possibly mid October, trap shooting will be on every Wednesday. A reservation system for possible trap range use on other times will be created to provide access to groups wanting to shoot at times other than established.

Mississippi River Adventure Day was a great event. The club did a fishing and casting event at this August 1 event. Thanks to members and non-members who helped out including Jerry Cummings, Ivan Hoffland, Rick Lange, Robert Morgan, Dave Ralph, Pete Adkins, Dennis Kirschbaum, Randy Christiansen, and Rodney Boardman.
