

Prairie Rod & Gun Club

Prairie du Chien, WI 53821

March 24, 2023

Meeting announcement: Tues April 11, 2023 at 7:00 p.m.
Crawford County Sheriff's Dept upstairs meeting room

Please notice the change of date for the April meeting.

At this month's meeting we will discuss and take action on the sale of the Plotmaster and Trailer, range work, range signs, financial moves, and other items that need to be handled. With the Plotmaster and trailer we need to know what price to ask and advertising.

Range: The range looks good. When the weather warms enough we will have a skidsteer work the berms and also repair the trail to the archery range at La Riviere Park. We may want to do some minor tree trim at both ranges so a work night may be in order. The purchasing of a voice activated clay pigeon thrower will also be on the agenda. We need to select a company to install.

We will also have further discussion and action on our restructuring our financial activity. We need to get some of our money into accounts that will produce interest that is better than where we have the money now.

Submitting the IRS **form 990N** was attempted but a potential problem has been found. To solve that problem we need an email that will be used by the club to connect to a Federal friendly password for our report. Hiring a business to do the 990N report will solve the issue.

Notice the High School Trap shooting schedule change below. We were not advised of the change to Wed nights until after the March newsletter went out. The trap team starts shooting March 29. They will be doing makeup shoots at Cassville on Monday nights. We need to decide if we want to stay with Wed night public shooting or change our shooting nights. If we stay with "public" trap shooting shooters will be shooting with the High School Team if there is vacant space on a round or after they are done shooting. This change will only be for April and May for the trap team.

Range schedule

PDC Police Dept April 25, May 22, June 26, July 24, Aug 29, Sept 7, 8-3 p.m. and Oct 19 5-10 p.m.
