

Prairie Rod & Gun Club

Prairie du Chien, WI 53821

May 25, 2023

Meeting announcement: No Meeting in June 2023
July meeting will be on July 11 as the first Tues is July 4

The Plotmaster and trailer are for sale. If you are interested in either or both of these items or you know someone who is interested in purchasing either have them contact Denny at 608-326-2718 or Curt Kramer at 608-412-1214. If not sold soon we will find an alternative way of disposing of these items.

Trap range is closed May 31 as we have no one available to run the nights activity. Some time in the later part of June Rich Noel will conduct training on the use of the new voice activated trap machine/equipment. Anyone interested in learning how to use the equipment should contact Denny at 608-326-2718 so a class can be set.

Draft signage for the range has been sent to Supreme Graphics for set up and our final approval.

Range: The range looks good. A skid-steer will work the berms and also repair the trail to the archery range at La Riviere Park. Some minor tree trimming may be in order.

The IRS form 990N was completed by Jones Accounting of Prairie du Chien. All of our tax reporting for our non-profit status will now be taken care by this firm.

The High School Trap shooting is done for the season.

The range will be closed on Sat July 22 for a 22LR Shoot. The NE Iowa 22LR Marksmanship Club will be having a shoot that will be open to the public. Watch for poster, news releases, and social media info for this all day fun shoot. The Marksmanship Club will be handling all of this event.

The Mississippi River Adventure Day will July 31. Details will be further discussed at the July 11 club meeting. If interested in helping out for all or part of the day let Denny know.
