

Prairie Rod & Gun Club

Prairie du Chien, WI 53821

Sept 25, 2023

Meeting announcement: Oct 3, 2023
Crawford County Sheriff's Dept upstairs meeting room

Range: On Sept 29 **skid-steer work** will take place early morning at the Mill Coulee range and then after that at the archery range at La Riviere Park. At the rifle range some gravel work on the parking area and a face lift of target berms will take place. Should only take about an hour. At the archery range some trail work will be done.

A work day placing storage racks in the container at the range will be needed. Rich Noel made the racks but will need some help finishing the project. A date can be selected at the Oct meeting.

Members will be needed for **range officer duties** during the pre-deer season sight-in on the dates shown below. If you can help out during this public service event contact Denny at 608-326-2718 so a schedule can be created.

Nothing new has been heard on the proposal for being a **partner/sponsor** of possible turkey habitat work with the Mississippi Valley Conservancy that was talked about at the Sept meeting.

Check the Range schedule. The range is busy so stay on top of activities at the range.
