

Prairie Rod & Gun Club

Prairie du Chien, WI 53821

May 1, 2024

Meeting announcement: Tues May 7, 2024 at 7:00 p.m.
Crawford County Sheriff's Dept upstairs meeting room

Range: The range looks good. **Thanks** to all **shooters** for keeping the range clean. Taking your used targets and other trash home for disposal and picking up used brass to take home or put in our recycle barrel makes for a clean range for all to enjoy. Remember, **all rounds need to hit the earthen berms**. 300 blaze orange Empty Chamber Indicators are being distributed in rack in the shooting bench area.

We need an archery range fix and repair day. Targets need to be repaired or replaced and a picnic table needs to be hauled back to the range and the old picnic tables disposed of. One evening worth of effort should take care of the fixes.

Shrubs, trees, and seeds that were ordered for our annual donation to La Riviere Park have been received. If they haven't been put in the ground yet they will be shortly. Volunteers and members of St Peter's ELCA Church planted the trees and shrubs. Prairie seed was planted after land preped with burns.

High School Trap Shooting continues on Mon and Wed from 4-finish. Trap shooting is open for others after the high school shooters are finished, usually about 6 p.m. If you want to shoot a round of trap be at the range before 6 p.m. or contact Rich Noel a couple of days before the day you want to shoot.

The IRS **form 990N** was completed by Jones Accounting and received by the IRS.

The class A raffle license has been renewed.
