Rifle range target berms have been reshaped. The range should now be ready for pre-deer season target shooting. Make sure your bullets hit the berm after hitting your target.

Check the range schedule for events at the range. Thanks to Rich Noel for handling the 2024 trap season and taking care of the range during 2024.

The need for range officers during the pre-Deer Season sight-in during the week before the deer season is upon us. If you would like to help out with this annual event please contact Denny at 608-326-2718. Times for the non-member sight-in is Nov. 16, 17, 20, 21, and 22, noon to 4 p.m. If you can help out for a couple of hours or a couple of days that would be great.
