Prairie du Chien, WI 53821

May 23, 2025

Rod and Gun Club meeting announcement.
7 p.m. Tues June 3, 2025
Crawford County Sheriff's Dept upstairs meeting room

The motions to purchase picnic tables and place cement pads for the trap range have been **overturned**. New takes on these projects has brought forth a better idea. Noah White was at the May 6 meeting with a **proposal for a trap league**. Ben Achenbach and Noah are involved in the **youth clay target league** and they have trap shooters interested in a trap league. The workings of this league will bring more folks to the trap range during the trap shooting season. Possible schedule of shoots, costs, etc were explained at the May meeting. These volunteers have come forward to **place the concrete pad** west of the current concrete shooting line. This would be in place of the two pads. The club will purchase the pad concrete at a cost near the cost of the pads the club was going to purchase. Instead of buying 3 picnic tables a motion was passed to **purchase one picnic table and two bleacher type benches**.

The **range will be closed** during construction at the trap range the next couple weeks. Dates are not known. Construction will include prep work for concrete pad, pouring of pad, and landscaping work. The bleachers are being constructed off site and will be placed once the concrete cures. The picnic table will be purchased locally.

Shooting with **youth clay target league** to be on Mondays and Wednesdays, 4 p.m. to dusk, through the first week of June. In June, July, and Aug trap shooting will be 1st and 3rd Wednesdays from 4 p.m. to dusk, and in Sept and Oct trap shooting will be every Wed 4 p.m. to dusk. Some of these dates are **subject to change** depending on the status of the proposed trap league. If the league is up and running league and open trap shooting will be every Wed 4 p.m. to dark. All this is subject to change depending on the status of the league. Anyone with questions about the trap league should contact Ben Achenbach at 608-326-8402.

Tree cutting on the east side of the range is done. Anyone **wanting the wood** should contact Denny for access.

If you are **replacing a deck** or other structure that will have scrap 2x4 or decking boards at least 8 feet long that can be used for target holders at the range please contact Denny at 608-326-2718. These boards work well.

A motion for a **donation** of \$500 for the Bridgeport-Prairie du Chien Fire Dept was passed. The check was delivered at the townships Fire Dept fish fry.
